PETITION TO REVIVE UNDER 37 CFR 1.137(b)

Hon. Commissioner of Patents
and Trademarks
Washington, D.C. 20231

RECEIVED

JUL 18 1990

Sir:

Applicant hereby requests that the cited application be
revived for purposes of entering a response to an election. The
assignee was required to transfer several applications from one
patent law firm to another because of procurement regulations.
A change in power of attorney was not filed, and it is not known
whether the Election was not entered or was lost at that time. A
supplemental amendment was entered. The original Election was
not found in the file.

A copy of the original response is provided herewith in
addition to the supplemental response and the computer print-out
indicating that the response was previously written is provided.
The Examiner is respectfully requested to enter the amendment
and, if such has not been done previously, to enter the sup-
plemental amendment previously provided, and seen in the file.
